MAKIN' BACON!

Roo and pig forge unlikely bond

WHO said romance is dead? In a sick and sorry world, the tale of love and, let's face it, DEEP LUST between a KANGAROO and a PIG near Alice Springs has captured global attention.

Photographs of the bloke roo and female pig DEFYING GOD'S LAWS by having SEX in a paddock in Aileron, NT, taken by a passing tourist, have gone FERAL.

They show the nameless roo giving the pig – which goes by the name of 'Apples' – some serious bouncy action. There was also some cuddling and KISSING ON THE MOUTH.

The tourist, a Mr Ryan Frazer, described how the two animals canoodled for a while, and then the roo "worked himself up and went for it."

Locals reckon having a little piggy wife has made the roo an all-round better marsupial.

"Yeah, the kangaroo's been heaps calmer since the pig has been in there," said one.

Apples's owner, Greg Dick, said the couple had been an item for more than a year.

"I tried to take the pig away the other day and the kangaroo almost tore the fence down," he told the NT News.

"They're in love." Picture

TER ALERT!

Coming through – urgent boob delivery from England!

OH, THOSE crafty Poms – they've gone and done it again! Just when you think they might've run out of huge-knockered spunks to send us, up gets 21-year-old Robyn Lambert.

Robyn's exact origins – ie, street, town, county – are lost in the mists of MISTINESS, as are her thoughts on global warming and her favourite dessert, but to answer the most important question on your mind, they're 32F.

All the relevant authorities have been contacted, and while we haven't yet seen the actual paperwork, they are also certified as A-1, completely untampered with NATURAL BOOBAGE.

What more good news can we bring you? Um, she has the sort of dirty

blonde hair that looks great all mooshed about, and, from what limited access we've been able to obtain, has an arse you'd be proud to take home to meet your mother.

That is to say, very clean and presentable.

But no surprise that it's Robyn's RAMBUNCTIOUS RACK that gets the most attention.

And why not? They're the sort of CHEST PILLOWS that might be waiting for the weary PICTURE reader, at the end of a long hard day, to rest his head on and drool happily.

We bet it'd be WARM and COSY, nestled between those two big pink comforters, especially during the winters up there at the North Pole, or wherever England is.

Yes indeedy, they're fine mammaroonies, that's for sure, no doubt about that, and no-one loves a mammoth pair of POMMY PONTOONS more than US.

Still, we would've loved to have talked to her. If we could've asked Robyn just one question, it would have been: "Robyn, how do you keep you boobs looking so fresh and rosy?"

And we HOPE she would've answered: "Kindness, and fresh yoghurt massages."

So let's just pretend that we did, and she did. ■ Picture

DAILY GRIND

SEPPO tradie Chad Hammons is about to become the poster boy for correct use of industrial eye-protection in the work place. And ain't he pleased about it! Chad, from Jeanerette, Lousisiana, posted these photos to his Facebook page after his stylish safety goggs stopped a fragment of grinding disc from ripping into his eyeball. Chad, looking very serious, added a heart-felt plea to his fellow workies not to take eye-protection lightly. We anticipate that Chad may become a bit of a bore about it all in the not too far-distant future. So avoid him.

MIGHTY MEATY

VEGANS, go suck a turnip. This doesn't concern you. It took 24 quails, 12 chickens, eight ducks, six turkeys, two lambs, a pig and a slab of waygu beef the size of a blanket to make this epic artery clogger, named the "Roast Beast". Then it had to be rolled in a seven-metre length of wire fencing prior to cooking. It was constructed, seared to juicy perfection and served up at the Bourbon Steak and Pub in Santa Clara, California, where thankfully nobody had the extreme bad taste to ask for a side of steamed kale to go with it.

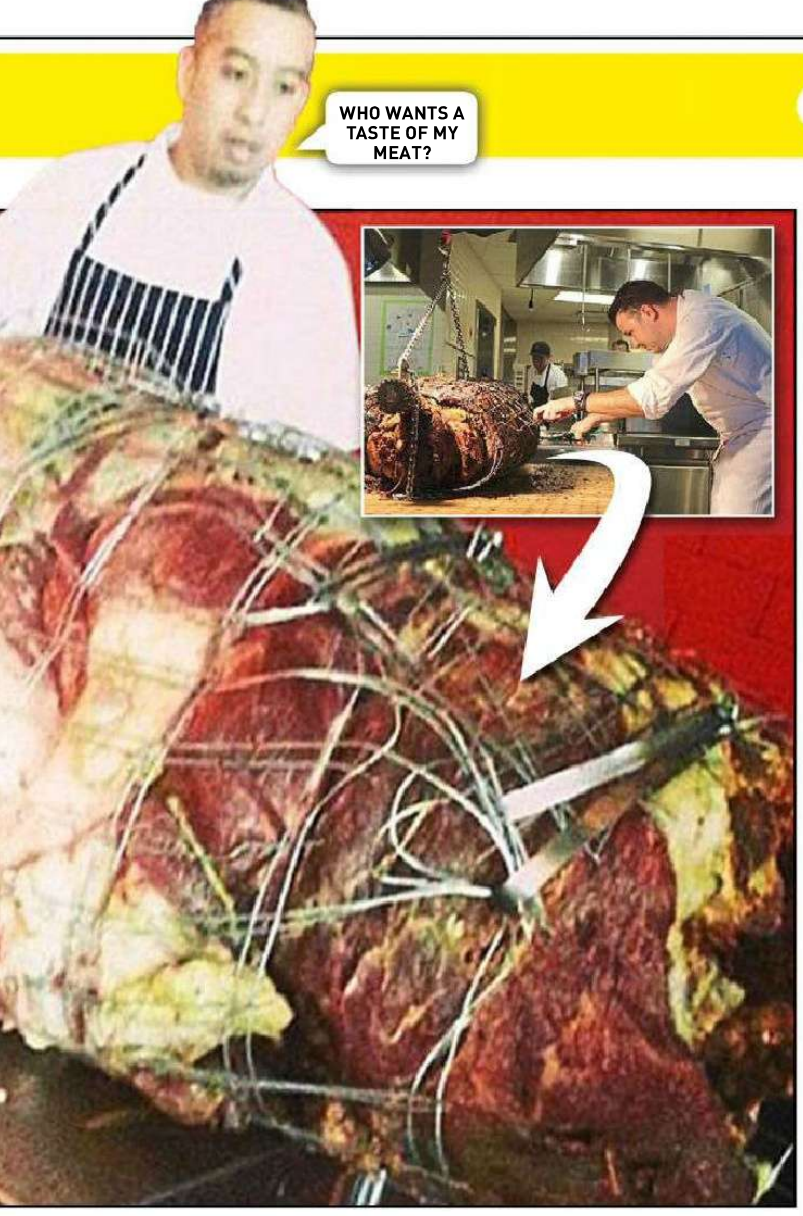
COW OF A DAY

LIFE is full of mysteries. Like why a cow, grazing in a field of yummo green grass, goes and sticks its head inside a tree like a complete fuckwit, causing all manner of hard-working emergency workers to be called out with straps and levers and implements of destruction to rescue her. Firies were called to a field in Northallerton, North Yorkshire, UK, to deal with the boofhead bovine. A vet joined in and injected ol' mooey with plenty of happy drugs, so she wouldn't cover them with fright-induced cowshit while they sawed the tree down. We can't help thinking it might've been simpler just to have a barbie.

Just add salad



CURRIED SEAGULL

A BEACH chicken with a taste for curry nearly became the main course at a food factory in Wales. This gull was scavenging – as they tend to do – around a vat of chicken tikka masala when a gust of wind blew him in. Workers rescued him and shipped him to the Vale Wildlife Hospital in Tewkesbury, England, where they didn't know whether to scrub him down or serve him with rice, garlic naan and a selection of Indian pickles. Lucky for him nobody likes eating seagull, so they bunged him in the Whirlpool, which left him about half a shade less orange.

ROBO-TATT

FRENCH tattooist JC Sheitan has the world's first robotic tattoo gun arm. Hooray! Sheitan, who lost his right arm 22 years ago, unveiled the arm, designed by an artist mate, at a tatt show in France. GAME ON!

GAME OF THRONES actress Saeeda Vorajee, 41, who got her gear off playing hooker Armeca in the first two seasons, is living it for real, hawking the fork from her home in Strood, Kent, UK. Under the *nom de fuque* of Sahara Knite, she'll do you a nice little tug job for under $100, all the way up to a top-of-the-line luxury root for $1800. "I've picked up a lot of fans from Game of Thrones," she reckons.

NATURE hates us. It's official. You'll have seen on the news mother nature fucking with our beaches up and down the east coast, presumably because of our coal-fired Jacuzzis and us chucking too many burn-outs outside Hungry Jacks on Saturday nights.

Yeah, she's really got it in for us, the old bitch. Everywhere we look she's givin' us the finger. Even the birds are flippin' us the bird.

William Hughes, Prime Minister
1915 – 1923

Reverse engraved with Prime Minister William Hughes' nation-defining quote

Handsomely presented in a custom-crafted gift box... perfect for gift giving

Own a piece of Australian history

More than any other event in our history, the Gallipoli campaign of 1915 defines us as a nation. No other conflict before or after has brought out the best in us, in the face of overwhelming adversity. For when we are in our darkest hour, the human spirit shines at its brightest. On the 100th anniversary of this nation-defining event you can show your pride with the "Centenary of Gallipoli Men's Watch", a fine jewellery edition which shines with its own brilliance in honour of the men who made you who you are today.

As distinctive as it is handsome, the watch is expertly crafted by hand with a genuine gold-plated casing and strap. The metallic face showcases a raised relief Centenary of Gallipoli emblem specially created to mark this milestone in our nation's history. The case reverse has been etched with *"Australia was born on the shores of Gallipoli"*, Prime Minister Williams Hughes' belief that out of the tragedy of Gallipoli, our nation realised its full potential and grew. One hundred years later, we stand proudly as one of the greatest nations on Earth.

RANG MANAGEM

Why redheads rock our world

BLOOD-nuts, carrot-tops, flame-brains – call 'em what you will, there's always something HORN-INSPIRING about ranga chicks.

Maybe it's that they rather spend all day in bed being ROOTED than go outside and face the sunshine.

Maybe it's their reputation as FIREY FUCKERS who'll shred the sheets and climb the walls in their eagerness to COP COCK.

Or maybe it's just that they're easier to spot in a crowd...

Anyway, we reckon rangas rock, so here's a couple of of the crimson-nutted champions to put some fire into your dull, work-a-day lives. Picture

RED ALERT!

Statistics from the porn site PornHub show that blokes get off faster to ranga porn than to any other genre – up to three minutes quicker. Think of the time that could save you in a year!

DANI JENSEN

A little-known fact about Dani is that she briefly worked under the name of Brittany Batterblaster. The star of *American Cock-sucking Sluts* and *Young Hoes Suck Toes*, she's redder than a slapped arse.

FAYE REAGAN

Faye has for many years been the queen of porn ranga-dom, dominating the genre with her skull of rust, her puffy nipples and her DELIGHTFULLY FRECKLY visage. And yet we've never seen her outdoors...

You're Joking

TWO married blokes are out drinking one night when one turns to the other and says, "You know, I don't know what else to do. Whenever I go home after we've been out drinking, I turn the headlights off before I get to the driveway. I shut off the engine and coast into the garage. I take my shoes off before I go into the house, I sneak up the stairs, I get undressed in the bathroom. I ease into bed and my wife STILL wakes up and yells at me for staying out so late!"

His mate looks at him and says, "Well, you're obviously taking the wrong approach. I screech into the driveway, slam the door, storm up the steps, throw my shoes into the closet, jump into bed, rub my hands on my wife's arse and say, 'How about a blowjob?'. And she's always sound asleep."

K.B., GOLDEN GROVE, SA

Q. WHY DO MEN DIE BEFORE THEIR WIVES?
A. OUT OF CHOICE.

KEITH, PORT ADELAIDE, SA

A MAN comes home to his wife from his job at a relish factory. He has a confused, lost look on his face, so his wife asks what's wrong.

The man turns to her and says, "I've been having the strangest urge at work lately."

"What is it, honey? You can tell me," asks his concerned and caring wife.

The man sighs and says, "I keep wanting to put my dick in the pickle slicer."

The woman stifles a laugh and tells her husband not to put his penis in the pickle slicer.

JOKE OF THE WEEK WINS $100

AN AUSSIE, a Pom, a beautiful blonde and a chunky brunette are sharing a compartment on a train as it winds its way through the Alps. Every now and then the train passes through a tunnel, during which time the compartment is plunged into complete darkness. On one such occasion, a loud, stinging slap is heard and as the train emerges into daylight, the Pom is rubbing his sore, red cheek.

The brunette thinks, 'I bet that dirty Pom fondled the blonde and she slapped the pervert.'

The blonde thinks 'I bet that filthy Pom was trying to grope me in the dark, mistook the chunky brunette for me so she slapped the beast.'

The Pom thinks 'I bet that rowdy Aussie touched up the blonde in the dark and she slapped me by mistake.'

The Aussie thinks 'I can't wait for another tunnel so I can slap that Pom again.'

BRAD, HORNSBY, NSW

A few weeks go by, and the man only wants to put his penis in the pickle slicer more and more, so he goes to his manager, to ask for help, and the manager refers him to an occupational therapist and gives him some time off. Nothing helps though, the therapist refers him to a real psychologist, hoping that maybe they can cure this man's affliction.

So one day the man comes home to his wife and says with a sigh, "Honey, I got fired today. I put my penis in the pickle slicer."

"Oh my god!" she gasps. "You have to go to the hospital!"

The man looks up at her, "Oh no, I'm perfectly fine. I feel great, actually."

His wife is now completely bewildered, "But your penis?... The pickle slicer?"

The man shrugs, "Yeah, she got fired, too."

M.N., COFFS HARBOUR, NSW

Q. WHAT DO YOU CALL A DOG WITH NO LEGS?
A. ANYTHING YOU WANT, IT STILL WON'T COME.

F.F., BRISBANE, QLD

A BLOKE has a 25-inch long cock which he thinks is way too big for his needs, so he wants to make smaller. One day, he finds out about a witch in the woods who can solve his problem.

So he goes to the witch, and she tells him to look for a frog by the stream and ask the frog to have sex with him. The frog will say no, and his penis will shrink by five inches.

He goes to the frog, and asks it, "Will you have sex with me?"

"No!" said the frog and the man's penis shrinks by five inches.

He thought this was great and asked again, "Will you have sex with me?"

"No!" the frog repeats and the man's penis shrinks by another five inches.

The man is very pleased, but thinks his penis is still a little bit too big. He decides to ask the frog one last time, "Will you have sex with me?"

The frog is clearly fed up with the question and says, "How many times do I have to tell you? No! No! No!"

LOU, ROCKINGHAM, WA

Q. WHAT DO YOU DO IF AN ELEPHANT COMES THROUGH YOUR WINDOW?
A. START SWIMMING.

R.D., SOUTHPORT, QLD

FUNNY BLOKE: DANIEL TOSH

When you see a married couple walking down the street, the one that's a few steps ahead is the one that's mad.

I'M NOT SAYING I'M SMARTER THAN STEVE JOBS WAS, BUT I WOULD HAVE MADE THE IPHONE CHARGER CORD TWICE AS LONG.

I'm all for women who get plastic surgery, because plastic surgery allows you to make your outer appearance resemble your inner appearance – fake.

THAT AWKWARD MOMENT AT A FEMINIST PICNIC WHEN THEY REALISE NO ONE'S MADE ANY SANDWICHES.

Anal sex is a lot like spinach: if you're forced to have it as a child, you won't enjoy it as an adult.

SHE SAYS TO ME DURING SEX, "HEY DANIEL, WHAT'S IT LIKE HAVING SEX WITH A CONDOM ON?" AND I'M LIKE, "HOW SHOULD I KNOW?"

THE JOKE'S ON YOU

THIS WEEK: UGLY BASTARDS

YOU'RE SO UGLY, YOU MOTHER HAD TO GET DRUNK BEFORE SHE BREAST FED YOU.

A man went through the checkout line at his local shop, and he's got a stack of frozen dinners, a six-pack of beer, a big bag of chips, and a single roll of toilet paper. The cute checkout girl says, "Well, I know you're single!" The guy, impressed, says, "Well, yeah—how'd you guess?" She says, "You're ugly."

YOU'RE SO UGLY, WHEN YOU WERE BORN THEY PUT TINTED WINDOWS ON YOUR INCUBATOR.

A man was sunbathing naked at the beach. For the sake of civility, and to keep it from getting sunburned, he had a hat over his cock and balls. A woman walked past and snickered, "If you were a gentleman you'd lift your hat." He raised an eyebrow and replied, "If you weren't so ugly it would lift itself."

IF UGLINESS WAS A CRIME, YOU'D GET THE ELECTRIC CHAIR.

A bloke is driving happily along in his car with his girlfriend when he's pulled over by the police. The cop approaches him and asks, "Have you been drinking, Sir?" "No. Why?" replies the man. "Was I all over the road?" "No," came the reply. "You were driving just fine. It was the ugly fat chick in the passenger seat that made me suspicious."

BOB'S YER UNCLE!

HOW come there are no porn stars standing in the federal election? We usually get one or two in every election, but not so this time.

M.K., BENDALONG, NSW

MUNGO SAYS: Yeah, it was sort of a tradition that we get one porn star candidate in every election. I miss that. All the time they'd be talking about their policies, and you'd always be sitting there thinking "I wonder how many dicks she's sucked?". Maybe it'll go the other way this time, one of the candidates will become a porn star. As long as it's not Bob Katter...

ELECTORAL DISFUNCTION

MUNGO, in the run-up to this election, I'm presuming you're not affiliated to any of the major parties as you seem like the sort of bloke who'd go his own way. Have you ever thought about forming your own political party?

M.L., ESPERANCE, WA

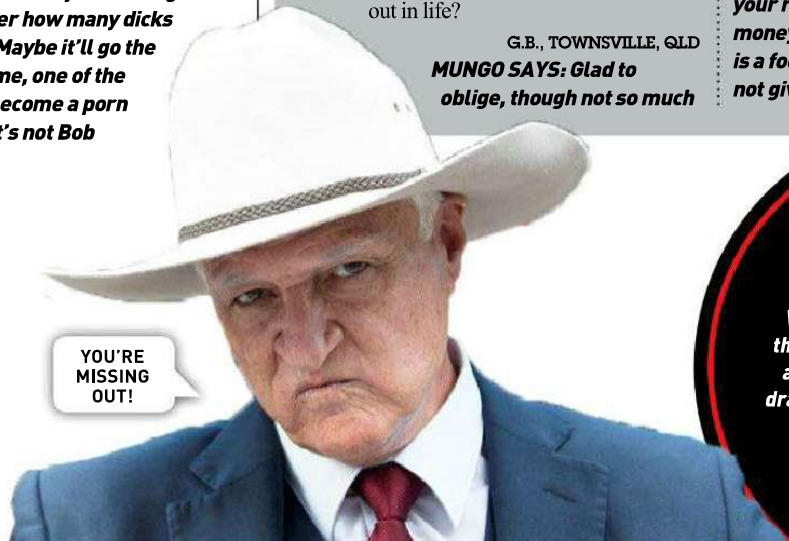
MUNGO SAYS: I did toy with the idea of one called the Bachelor Party, but the meetings always ended up a shambles, with people pissed and naked and tied to lamp-posts, and smuggling hookers out the back door before the wife got home. So while we never managed to field any candidates in any election anywhere, on some levels it was a complete success.

NOW LISTEN TO ME...

MUNGO, you're a wise old man, what advice would you give a young bloke just starting out in life?

G.B., TOWNSVILLE, QLD

MUNGO SAYS: Glad to oblige, though not so much of the "old", eh. Let me see... never marry a woman with more than three brothers, especially if they're Italian. Never give your real name. Never use your own money. Keep your socks rolled. Beer is a food. Erm... and that's about it. I'm not giving away all me trade secrets.



MUNGO WANTS TO KNOW...

What do you want from our pollies this time around? Free jet skis? Beer as a tax deduction? A national porn drawer? Tell me more of your brilliant ideas, and maybe win dosh.

HIDE THE SOAP!

I'VE got a proposal for you, Mungo. I want you to back my business idea for a new chain of strip joints. There'd be a bath at every table and the stripper would come along and get in and you could wash her. It'd be better than a lap dance. I just need the money for the first bathtubs to be installed, 'cos that could run into big bucks.

ROY, BATEMAN'S BAY, NSW

MUNGO SAYS: Well, Roy, it sounds like a dandy idea and I'm probably gunna kick myself in years to come when Roy's Wash-A-Babe bars are a major force in nudie entertainment across the nation, but I'm gunna pass. Besides, what happens when blokes come home from a night out with their fingers all wrinkly and smelling of soap? Theirs wives will know where they've been.

SPORT OF FRIGGIN' KINGS!

DE-NAGGED!

Whip? Check. Funny hat? Yep, got that. Lairy shirt? No wuckers. But it looks like there's one thing this jockey has forgotten – his fucken HORSE! Accomplished oompa-loompa Hugh Bowman was only 200m from the finish line in the Cellarbrations Plate at Sydney's Canterbury racecourse when he looked down to find his nag California Man had taken an unexpected swerve to the left, leaving Hughie with nothing but air under his silk-clad arse. Why, we'll probably never know. Maybe California Man saw a horse he knew in the crowd and shot off for a convo. Flighty bastards, horses. Hugh was pretty much fucked at that stage, as the rules of horse-racing say you really have to have a horse, otherwise what's the point? So he had to walk the rest of the way to the finish line. He was OK, just a little peeved. We dunno what happened to California Man, but. Can of Pal, anyone?

Oz's best MAN CAVES

WHO: Tom, 36
Fitter and Turner

WHERE:
Newcastle, NSW

BUYING a big fuck-off 4WD was the starting point for Tom's man-cave, 'cos he jacked that thing up so high he couldn't park inside his two-car garage anymore, why, he thought, not turn it into a shed to be proud of?

SO HE FUCKEN DID!

Tom's retreat from all worldly worries took him about eight months to complete.

WHAT'S YOUR FAVOURITE BIT?

"The bar. There's nothing like coming home and pouring yourself a coldie at your own bar."

DRAUGHT, WE SEE?

"Yep. I've three kegs on line, all my own home brew. I've got a ginger beer, an old English porter and a German lager on at the moment."

WE'LL TAKE ONE OF EACH. SO, THE NAME, THE RAT BAR, THAT'S NOT BECAUSE IT'S SWARMING WITH DISEASE-SPREADING RODENTS IS IT?

"No, it's named after my grandfather, who was one of the rats of Tobruk during World War II. He died last year, so it's in memory of him."

BETTER THAN A MARBLE STATUE! WHAT'S IT USED FOR?

"Just somewhere to have a few beers instead of going to the pub. I usually have mates around on Friday night to watch the football."

WHAT ELSE HAVE YOU GOT IN THERE?

"Some arcade games, an old one-armed bandit pokie machine, my beer bottle collection..."

ALL THE FOOD GROUPS. ANY MORE IMPROVEMENTS PLANNED?

"I wouldn't mind a fireplace, this is its first winter and it's getting a bit cold."

GO MAD! GET SOMETHING YOU CAN ROAST AN OX IN!

Talking Dirty

STRAIGHT TO THE POINT

TRIN. What's the best root you've ever had?

G.R, LIVERPOOL, NSW

TRINITY SAYS: ***It was this older English guy from the Special Forces! I've never had anything like it. I usually don't like being dominated but he was in total control the whole time. I was fucked in ways I'd never experienced before. Hands down, to this day the best!***

"PERSONALLY, I LIKE SEMEN – I TRY TO GET IT ALL OVER ME!"

TOUGH ENOUGH

I'VE been seeing this chick who's really quiet and shy, but when we have sex she wants me to get really aggressive. I don't mind rough sex, but this chick makes me feel like I'm committing a crime when we're doing it. Last week she wanted me to punch her in the face. I don't punch chicks unless they are zombies. What the fuck is this about?

NICK, VIA EMAIL

TRINITY SAYS: ***We all have our different fetishes and for her usual cute and quiet self her crazy outlet is rough sex. Being punched in the face is a little extreme for most people, though. Perhaps discuss with her some happy mediums. You need to feel comfortable too.***

MOURNING GLORY

THE other week I got a boner while at a funeral. It was so weird. All these people were crying and there was nothing sexy about the situation. Do you ever get turned on by strange things? Ever found yourself getting wet somewhere you shouldn't?

PETE, VIA EMAIL

TRINITY SAYS: ***I find funerals always end in some sexual activity. It may be a sad situation but it brings people***

Gary Santos Photography, Thinkstock

together in a comforting manner. Plus guys look super-hot in suits. I also get really horny when I see clowns, so the circus is always a weird one for me.

A DIFFERENT LEAGUE

NOT sure if you've been following the rugby league, but Queensland have been kicking NSW's arse for years in the State of Origin. I'd say that NSW blokes are better at everything else, but. Can you please let Australia know if NSW blokes are better rooters than those fuckers north of the border? This matters a lot.

MOUSE, KINGSWOOD, NSW

***TRINITY SAYS:** I've had great roots all over Australia. I'm sorry, but one state isn't any better than the other. Blokes Oz wide seem to be doing quite well. Well, at least with me. Although it's been a while since I've been with an Aussie, so things may have changed.*

VIEWS ON SMOOS

MY SISTER sees herself as a hardcore feminist. She hates men's mags, hates strip clubs and hates the idea of women taking off their clothes in any way to please men or make a wage. Her feminist mates have different views, though. One of them says that women are empowered by this sort of thing. I can't keep up with what's going on. What's your take on this issue? And why can't we all be friends? I love all women and this mag gives them all a run no matter what they look like.

IAN, BRISBANE, QLD

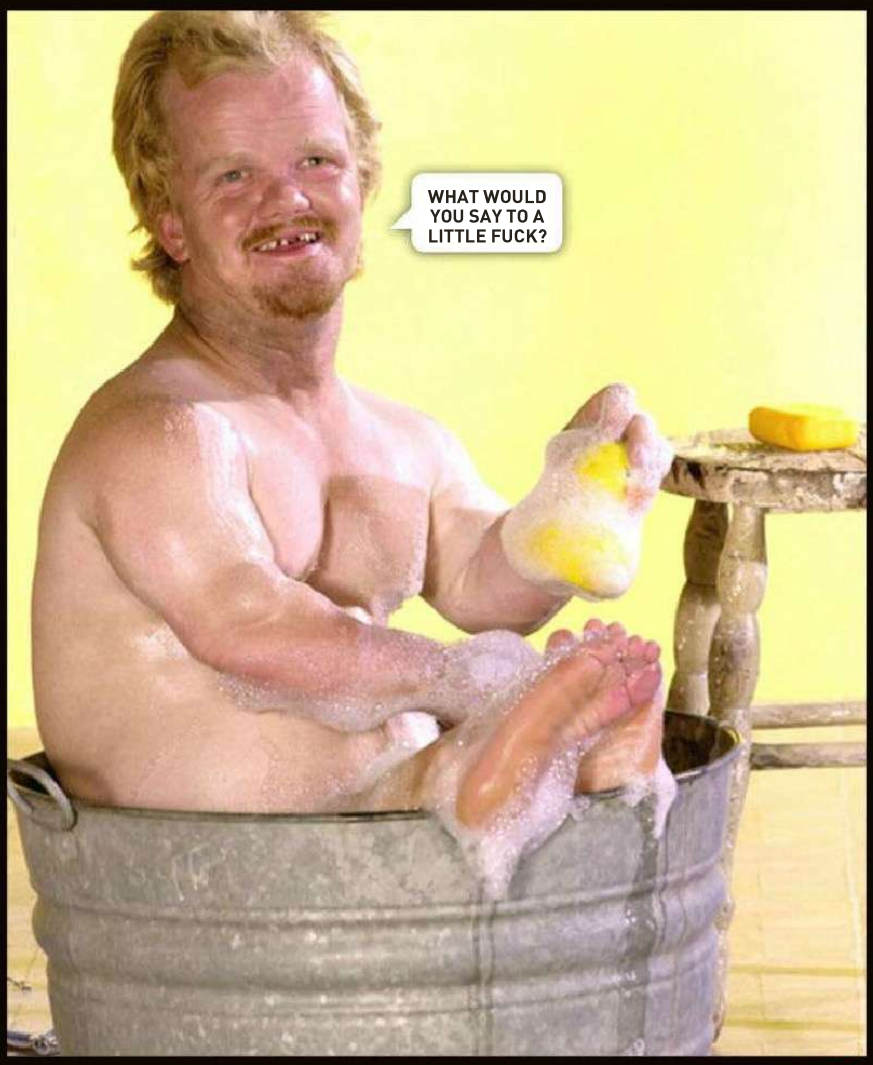
***TRINITY SAYS:** I can't keep up with feminists either. One minute they're all for, and the next minute they're dead against. Some are just angry and want attention, if you ask me. So stop worrying about whatever the fuck they think and you just enjoy your love for women on your own.*

CUM AGAIN?

SCIENCE says that semen is good for skin. My ex never let me jizz on her face, but I think it would have got rid of her wrinkles. Have you ever tried this? What does Dr Trinity think?

TANK, BANKSTOWN, NSW

***TRINITY SAYS:** Ha! Well, that's an age-old debate, mate. Personally, I like semen, so I try to get it all over me whenever the chance arises. It does have a high protein count too, so that's a plus. But ultimately, I think it's more of a placebo effect than an actual medical improvement.*



TRINITY'S SEX TIP

Remember, if you're coming home from a night out and you've picked up a root, always be sure to sneak a quick wash of your downstairs in before you fuck. It'll be much more enjoyable.

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

SKEWER-CIDE!

WHO:
Long Chao

WHERE:
Luzhou, Sichuan Province, China

WHAT:
Seven spiky, metal rods exploded into his face and neck

OUCH FACTOR:
99%
Well, he's not dead

IF YOU think your day's been shithouse then spare a thought for Chinese bloke Long Chao, who, while slaving away on a construction site in the middle of China, copped a faceful of steel rods.

It's reported that 40-year-old Long was injured when a machine designed to straighten metal bars malfunctioned and exploded like a DEADLY CHINESE FIREWORK, sending RAZOR SHARP pieces of metal flying around the construction site.

Unfortunately poor old Long happened to not be out squatting in the street smoking with his mates when it all went down, and ended up with seven of the bars firmly lodged in his throat and jaw.

His co-workers took one glance at Long, saw how fucked he looked, and rushed him to hossie, where it took a CRACK TEAM of doctors over six hours to pull the rods from Long's face.

"He's lucky to escape death," SQUEEMED Doctor WANG Qing after completing the gruelling operation, in which a fancy piece of equipment was called in to cut the rods down to a smaller size so as to not POKE any unsuspecting docs in the eye.

Luckily Long survived the ordeal and lives to construct another day, but we've still something to tell him - GET UP YA SOOK! ■ Picture

TAYLOR LAID!

Picture Pin-up

Taylor Vixen is as foxy as they cum

TAYLOR Vixen is another one of these beautiful porn stars who disappointingly only has sex with girls in front of the camera because she's all "lesbian" and everything.

But boy, does she have sex with other girls in front of the camera! Taylor has 180 credits to her name, including *I Want Pussy: Taylor Vixen* and five instalments of the popular *Please Make Me a Lesbian* franchise.

"I HOOKED UP WITH GIRLS ALL THE TIME"

She's made a good living out of rug-munching, scissoring and pillow fights at pyjama parties, so good luck to her. For the flange-obsessed girl from Dallas, Texas, it's been a dream career path.

She broke into the porn business by sending nude pics of herself to photographers – always a good way to GET AHEAD, girls – and it just sort of kicked on from there. And hasn't she just loved it!

"Before I got into the industry I hooked up with girls all the time, now that I can do it for work, it's awesome!" CREAMS young Taylor.

Her success has meant she can afford time to indulge her favourite past-times; watching crap TV and GETTING OFF.

"A typical day in my life would be wake up, brush my teeth, watch some *Two and Half Men*, work on content for my site, eat, masturbate, take a

shower, fall asleep watching some *Saved By the Bell*. The best way to spend a day is fucking all afternoon, though."

While she's notably keen on the girl sex, and despite her all-smoo diet professionally, Taylor says she DOES appreciate a good length of cock in her personal life, so there's still hope for us blokes, too.

Just don't ask if you can FILM IT.

Even better news is that she feels some sort of affinity with Oz and would like to move here. "I'd love to live in Australia, because I love it there, and I love the accents!" she PERKS.

If that's the case then we feel it's our duty to make Taylor and her all natural 36Es very welcome.

We'll tone down our accent, chuck another whale on the barby and expect to see you around seven then, Taylor. ■ Picture

Lizzie's on the lookout for a new man

THE world might seem like it's heading right down the shitter, with all these NANCY FUCKTARDS getting offended by anyone and everything, but if there's one thing we can always count on to put a smile on our face and a BONER in our pants, it's TITTIES.

And 25-year-old Lizzie has some of the best CHEST PILLOWS we've seen in a long while, well, since last issue, and she's not afraid to show them off. "I'm always walking around topless at home," reveals the TOP-HEAVY Sydneysider. "And if my mates come round they'll join in the fun!"

By fun, you mean GROUP ROOTING sessions, right?

"No, just hanging out. We might get takeaway and watch a movie or just chill out and chat."

Wait, so no lezbo love-making?

"Nope, none at all. I've never really fancied girls in that way. I can appreciate a good body or a cute face but I'm not sexually attracted to women – sorry!"

Oz Girl

SHE'S ON THE PROWL OVER THE PAGE!

"MY ALL-TIME FAVOURITE IS COWGIRL"
Made in
Oz Girl

Don't be sorry – we're stoked you haven't gone VAGITARIAN! Are you single at the moment?

"Yep, recently single. My ex and I broke up about a month ago now."

He must've been a right DINGBAT to let you go! How you enjoying single life? Livin' it large?

"It's good. I like going out with my friends and not having to worry about where my boyfriend is and what he's doing any more."

Have you been KNOCKING BOOTS with heaps of blokes?

"I'll just say that I'm having fun and learning a lot of new things. Turns out my ex-boyfriend was actually pretty boring in bed!"

What's a new possie you've learnt?

"A new one I've tried is 'froggy style', where the woman is pushed up against the wall and the guy takes her from behind. But my all-time favourite is cowgirl 'cos I don't have to rely on anyone else to make me come."

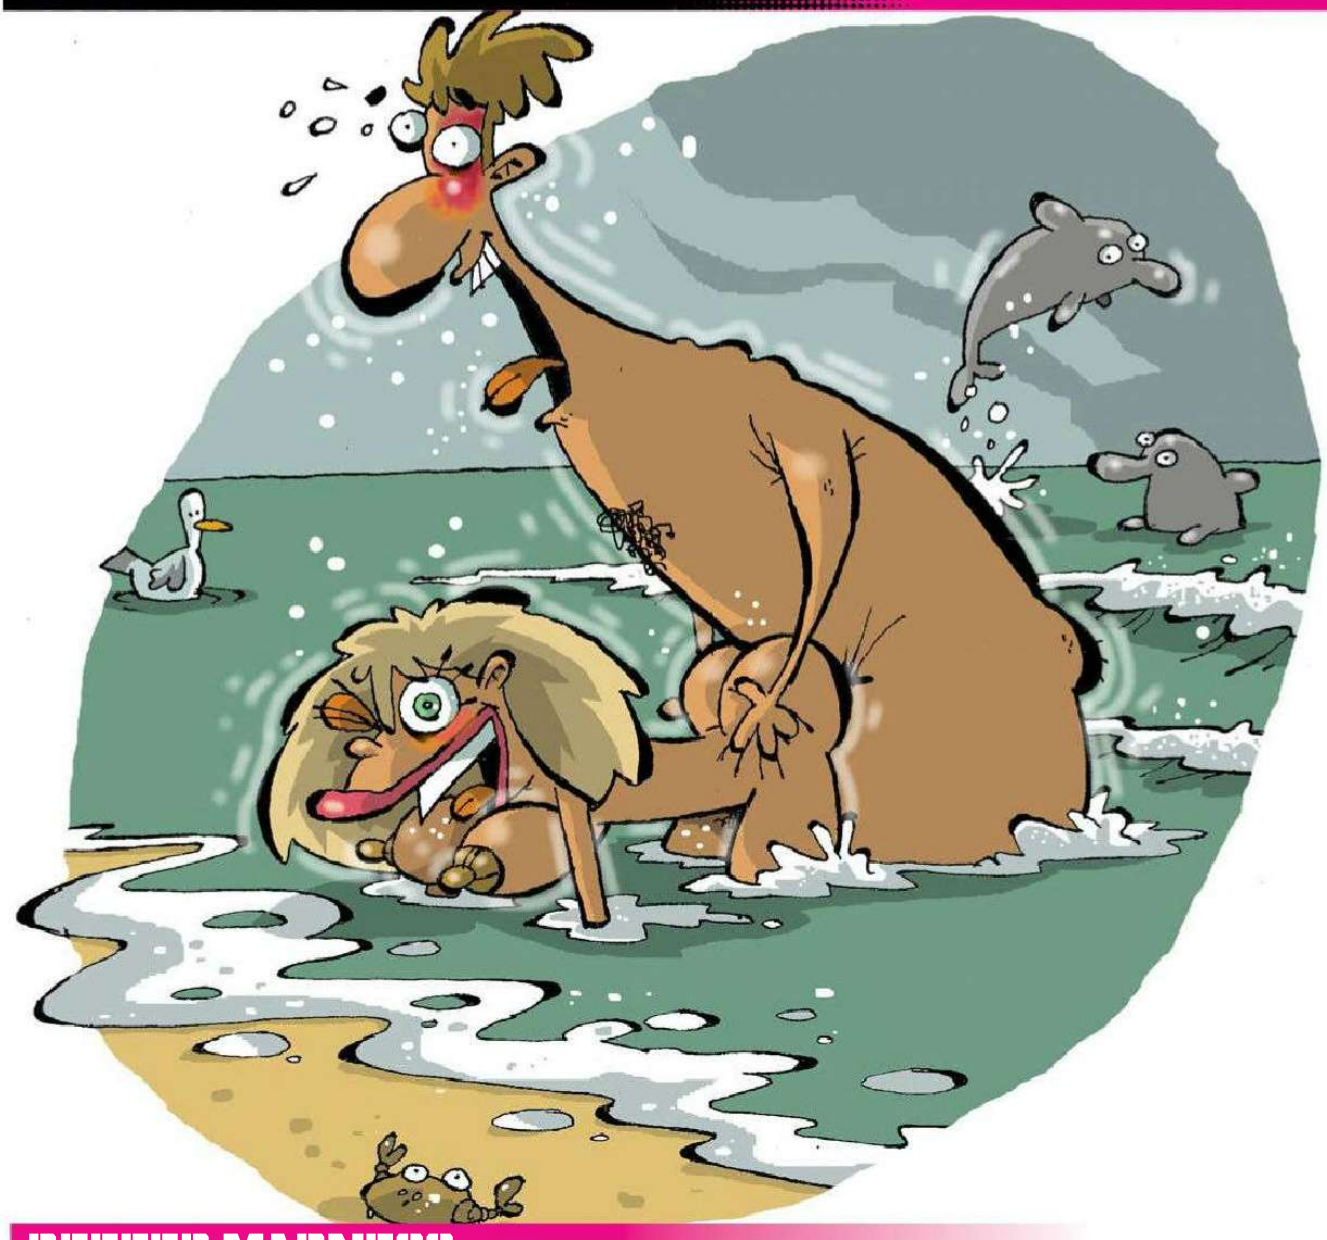
My Outdoor Fuck



REEFER MADNESS

ME AND the girlfriend thought we'd treat ourselves to a luxury holiday at this plush joint on the Barrier Reef, that was also a nudist resort.

They had everything – jungle huts, private pools, massages, great tucker, and heaps of hot-looking people wandering around in the buff.

I wouldn't normally feel cool wandering around in the nuddy, but soon I was right into it, and watching my babe walking around with no clothes on was pretty good, too. One morning we took an early stroll down to the private beach and, not seeing anyone around, thought we'd take advantage of it and have an al fresco fuck.

The water was so nice we thought a bit of that splashing around our genitals would be a good idea, so we parked ourselves at the right depth so the little waves kept tickling us in all the right places. As soon as I slid my cock into her I could tell she was ready for it – he cunt was hot, sweet and pulsating even before I started slamming it to her.

We tried a little doggy, a little submarine cowgirl, even a bit of floating missionary, and every now and then we'd fully submerge to cool off.

We could see forever down the beach, and even though there were people a long way away, we didn't care. We actually both came and had a rest in the shallows before saddling up again for round two, and this time we had company – a couple of dolphins came in close and were having a perve at us as we went for it.

That just made us even hornier, so we put on a bit of a show for them, and this time when I came she twirled around and took my salty jizz in her mouth and let it run down her chin. The dolphins seemed to like that.

SNOWY MOUNTIN'

ON MY first trip down to the snow I thought it was gunna be a root-fest, as there were heaps of single chicks we knew going as well and we were all primed to get our knobs wet. But we were crammed into these shitty dorm rooms with no privacy so trying to rip of a fuck was pretty much out of the question.

I was getting frustrated not being able to seal the deal with Sandra, the hottie I had my eye on, and she had a case of the unrequited hots for me, too. So one day when we were supposed to go for ski lessons we shuffled away from the pack and off behind some trees for a breather.

It was a sunny day and pretty hot in all our ski gear, so we took a few layers off and spread it out on the snow to lie on. I'd brought a bottle of brandy along to keep us warm, so we had a few slugs of that and then we started mucking around.

Sandra fished my knob out and gave it a good sucking while I managed to get my hand down her pants and finger her until she was sopping wet. Then we just had to go for it and drop our duds, and do a sort of standing doggy knee-deep in snow with our boots still on and our ski-pants pulled down. The snow was nice and soft to rest on between bouts of action, and we had a great view down the mountain.

I fucked Sandra until she screamed she was coming, and then I let my splooge go as the same time. She said afterwards she could feel it trickling down her leg inside her ski pants when we skied back down the mountain. We had a snow fuck every day for the rest of the holiday.

LIKE a lot of young blokes, a lot of my early fucks were outdoors because I didn't exactly have a lot of options in those days. A hell of a lot of my sexual encounters in those days ended in gravel rash or being covered to freshly mown grass.

One memorable one was when I was at a party and Janet, this chick I'd been seeing, was there. We kept trying to find somewhere to sneak off to, but every room in the house seemed to be occupied. Eventually we wandered down the hill to the local park, which wasn't too spooky 'cos it was well lit and there were a few benches and exercise stations and that sort of thing.

We made ourselves comfortable on the grass and dry-humped each other for what seemed like hours, as you did at that age, before Janet pulled her G-banger off and straddled me. As she slid down on my cock she let out this very sexy moan, then started slowly fucking me with this incredible rotating movement of her hips.

I didn't know 18-year-old girls could do that, but she was like an old pro at it, no pun intended. As she writhed around on top of me, she threw her long, blonde hair around, whipping my naked chest with it. It was fucking amazing.

We didn't have any protection, so just as I was about to come, I told her and she jumped off me to clamp her lips around my old fella and swallow every drop of my taddies.

Then she lay back with her long legs wide apart, with sweat and pussy juices running down her inner thighs. We lay like that for a while catching our breath, then we put our clothes back on and went back to the party.

It turned out everyone had been watching us from the balcony because we were lit up so well by all the lights in the park.

"We're looking to go into group sex films"

ASHLEY
GOLD COAST, QLD

Listen up readers, 25-year-old Ashley is a star in the making. "My partner and I make porn and have a massive collection of porn videos shot indoors and in public locations. The thought of getting caught is a massive turn-on." ***Who gets to see these videos?*** "The public, eventually; online viewers. We are looking to build and go into group sex films eventually; threesomes, DP, two guys gangbanging or a threesome with another chick. We have already made plenty of anal; we only do hardcore." ***What makes a good porn flick?*** "Being hardcore and kinky and letting go. You have to be open to try new things. One of my favourite scenes was when I let my partner use restraints and a blindfold. I had no idea what was going to happen." ***Sounds exciting... and very DARK.***

WHERE DID YOU LOSE YOUR VIRGINITY?

"The bedroom."

"I love it when the girl is licking my pussy"

NATASHA

If you believe the cliché working with horses is all about nude romps in the hay, you're spot on. Just ask 22-year-old horse breaker, strapper and wannabe Lady Godiva, Natasha. ***Ever had some romps in the hay in stables?*** "Yes I was bent over the hay with one of the other trainers." ***What is the best part of the stables for playing a bit of nude ride the horsey?*** "Everything sexy happens in the back of the barn." ***Did anyone catch you going at it?*** "Yeah, I have been seen by my girlfriend." ***Did she blush modestly and turn away?*** "No. Then it turned in to a threesome. I love threesomes. I have them a lot. I love it when the girl is licking my pussy whilst she is being fucked."

WHERE DID YOU LOSE YOUR VIRGINITY? "On the beach in Mandurah, Western Australia. That was the first location I ever had sex."

That must lead to some zany high jinks.*** "Once I broke into a pole studio with a sexy boy late at night and gave him a private pole performance and lap dance." ***We hope he gave you more than some crumpled five-dollar bills as a reward for that performance.*** "And then we had our way with each other using the poles to create some exciting positions." ***You're exciting us already, Mischa.***

Maybe it's an English girl thing, as both my English housemates are always naked, too." ***What makes English girls so hot and naughty – excepting the Queen, of course.*** "I think English girls can be quite naughty in general, always wanting to push the boundaries. We hate being told what to do... unless it's in the bedroom." **WHERE DID YOU LOSE YOUR VIRGINITY?** "It was in a store room at college. We jammed the door so nobody could enter."

One house took our fancy, so we went into the main bedroom and started to have sex, as no-one was there at the time. All of a sudden we heard voices and footsteps coming our way, so we hid in the wardrobe and continued to finish our sex. It was very exciting, as we almost got caught. Then we proceeded to get dressed and continue finish looking at the rest of the display house." **WHERE DID YOU LOSE YOUR VIRGINITY?** "On a beach down the coast."

I prefer the company of men." ***Atta girl. What's the best date you've been on?*** "My old boyfriend was really good at dates. BACON

01. If you're craving bacon it's not just 'cos you're a HEFFER, it's 'cos bacon is as bad as CIGGIES... well, not really, but it does contain six types of the addictive neurochemical umami.

02. Bacon is one of the oldest processed meats in the world. With the CRAFTY Chinese salting it from as early as 1500 B.C.

03. The highest bacon consuming country in the world isn't the USA like we all would've thought, but actually the Danish.

04. The word 'bacon' dates back to the late 1500s when the word 'Bacoun' referred to all pork products.

05. In 1920, French butcher John Fargginay enjoyed the smell of bacon so much he created bacon cologne. Needless to say his POOCH definitely loved him a lot more.

06. According to research, a bacon sandwich is a great way to cure a hangover. While bread is loaded with carbs, bacon is full of protein, which breaks down into amino acids... a chemical compound known to cure headaches.

07. Old French mate John wasn't the only person who enjoyed his bacon in different styles. You can now pick up bacon flavoured lip balm, toothpaste, beer, and even FRANGERS.

08. Saint Anthony the Abbot is the patron saint of all things porky – pigs, butchers, and herders. As such, he's been dubbed 'The Patron Saint of Bacon'.

09. Bacon's such a widely loved food that it even has it's own day – September 3rd is International Bacon Day.
